FINANCE AND ACCOUNTS DIVISION MEMORANDUM NO. B-45

To: Washington Finance and Accounts Division  
Chiefs, Regional Fiscal Divisions

From: H. O. Hart, Chief, Accounting Management Section  
Finance and Accounts Division

Subject: Code for Use on Pay Rolls to Show That Individuals  
Are Not Subject to Withholding Tax

The code letters "XT" will be used on pay rolls to show that individuals are not subject to the withholding tax. These code letters have been prescribed by the General Accounting Office in General Regulations No. 54, Supplement No. 17, dated October 30, 1943, and are in addition to the code letters prescribed in Supplement No. 16 to General Regulations No. 54 for showing the tax classes of employees who are subject to the withholding tax.

Commencing with the next pay roll to be prepared by the Fiscal Division, the code letters "XT" must be shown in the appropriate column on the line of the pay roll on which appears the name of each employee not subject to the withholding tax.

A handwritten signature in cursive script, appearing to read "H. O. Hart".
